**THEATRICAL PHOTO CD
ORDER FORM**

Dear Performers,

We are happy to announce our new service for theatrical photography. We will be photographing before the show, which will include behind the scenes candid shots, we will then photograph the dress rehearsal and entire live show, trying our best to capture the spirit of the show and as many of the performers as possible. We will also do a professional portrait of you in costume.

All high resolution images are then placed onto a CD, which you will be able to print from, email, or put on Facebook. You will also receive a print release form on the CD which will allow you to print the images at your favorite photo labs.
